Dear Muriel:

This is a brief note to let you know that we are being forced to move up the deadline for our next issue of VOICES to November 15. (Previously I think I told you December 1). This rearrangement was necessitated by my lack of experience in editing a Journal, and how long it takes for publication.

I hope very much that you will find it possible to complete the biography on Carl by November 15. Please feel free to call me collect if there are questions that I might answer about it.

Tom and I like very much the review you did together with Carl of "The Thirteen Clocks". It is now in press with the second issue. I was very sorry that we were unable to get in the longer article by Carl on Administration.

With warm regards, and looking forward to seeing you again, I remain

Cordially,

John Warkentin, Ph.D., M.D.
