Dear Carl:

Under separate cover we are sending you 5 copies of *Voices*. This I am most happy to do. My wife and I both found the article very moving, in fact she was moved to tears which is always a positive indication of authentic feelings.

I most likely will be seeing you in Madison though originally I had some other plans. I hope to be able to attend the meeting of the Publications Committee which is scheduled for that weekend.

Cordially,

Alex Jasnow, Ph.D.
